To  
The Principals  
(KVs under Bhubaneswar Region)

Dear Principals,

You are aware that KVS is celebrating its 58<sup>th</sup> foundation day celebration tomorrow i.e. 15/12/2020 . It is a day for all of us to rejoice and also renew our commitment and allegiance to the organization .

Even though Covid-19 Pandemic has brought in new challenges to tackle unflinchingly KVS has been making rapid strides in ensuring that its objectives and goals of being the trend setter as far as school education is concerned is not adversely impacted.

As you are the academic leader and administrative head of your respective KVs, I appeal to you for continuing motivation of your students, teachers and parents in realizing our common vision and mission in bringing new age learning in KVs. Strategic changes to the online pedagogical practices in tune with new education policy is the need of the hour. Let's us all collectively strive for achieving this .

With best wishes.

Yours faithfully

(S.K.Chopdar)

Deputy Commissioner
